

## AiM SSO Login

1. To increase security, starting the evening of January 6, 2022, AiM will require a login through UGA's Single Sign-On portal. When you visit AiM, you will see the below login. Please use your MyID credentials to sign in.

The screenshot shows the UGA Single Sign-On Service login page. At the top is the University of Georgia logo and the text "UNIVERSITY OF GEORGIA" and "UGA Single Sign-On Service". Below this are two input fields: "Username:" and "Password:". There are two buttons: a red "Login" button and a grey "CLEAR" button. Below the buttons is a link "Trouble logging in?". At the bottom are two links: "About SSO" and "About Us".

2. It may be necessary to log in a second time through the normal AiM window. If so, just use your MyID credentials there, as well.

The screenshot shows the AiM Enterprise IWMS login page. At the top right is the "AssetWORKS" logo and the URL "www.CoAssetWorks.com". On the left is a large blue "Ai" logo. On the right, the text "AiM Enterprise IWMS" is displayed above two input fields: "User Name" and "Password". A blue "Login" button is located below the input fields. At the bottom right, there is a small copyright notice: "Copyright 2011 Hamilton LLC".

This occurs when trying to visit an AiM page before logging in at either <https://aim.fmd.uga.edu> or <https://aim.fmd.uga.edu/fmax>. For example, visiting a saved bookmark (for a specific work order, etc.) before logging in would require the second login. To avoid this, log in to AiM prior to visiting another page within the software.

If you run into any issues or have any questions, please contact the FMD IT Helpdesk at [fmdhelp@uga.edu](mailto:fmdhelp@uga.edu) or by phone at 706-542-7551.
